Deliver sustained business impact

Xoriant Shared Services!

Flexible & Locally Sourced Support at Low Cost

**The right team at the right time to implement short-term Azure-based projects.**

Xoriant's Shared Services offering helps you streamline your short-term projects pipeline with a diverse team of experts available on-demand month-to-month.

Build secure and scalable solutions with off-shore Developers, Data Engineers, and UX Designers when you need them at reduced costs increasing efficiency & accelerating time-to-market.

Shared Services Model

Customers can reserve a minimum monthly block of 40 hours with an initial term commitment of 3 months. After the initial term, monthly billing applies. 30-day termination notice is required (N/A if due to transition to SOW). Additional monthly blocks are available as required.
